

Dear Ms. Kitchings,

I'm in receipt of the order of this Court granting my request to file a reply brief and denying my request to ~~the~~ require the respondent to serve appellant with a copy of appellant's designation of matters to be in the record of appeal. However, when I filed my initial brief along with it I also filed a designation of matters to be included in the record of appeal, and those matters I requested can only be provided by the respondent, because although appellant, Virgil Haygood #300382, and I were both charged and convicted of the same incident our hearings and appeals were separate from each other's. Will this Court have access of the record of appeal for appellant, Virgil Haygood #300382, to review for my appeal? Also, I've filed my reply brief with this Court a month ago and served copies on all parties, ~~is~~ is it in your record Ma'am?

Yours Truly,  
Dustin Guines
