RE: Gertrude Shiver v. Palmetto Health Richland, Employer, Key Risk Management Services, Inc., TPA Palmetto Hospital Trust Services, Carrier, Trident Regional Medical Center, Employer, Key Risk Management Services, Zurich American Insurance Company, Carrier

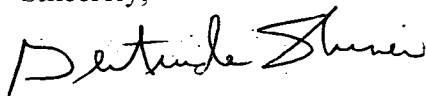

RE: The Amended Initial Brief and Designation of Matter

Dear Ms. Kitchings:

I had obtained some Pro se' help with the Amended Brief and Amended Designation of Matter. I didn't know however that this person was not reliable and that this person has some other serious underlying issues. This person abandoned me at the last moment and I had to deposit my Amended Initial Brief and Amended Designation of Matter in the US mail yesterday. There was not time to ask the Court for a three days extension.

There are some handwritten notes and some typed notes. I have some disability which affects my speed in typing. I have to do all of my own typing. I am however in the process of typing up all of the material so that it will look more professional. I don't know what happened to the top margins of the Amended Initial Brief between the computer and the printer. I had the computer set at a top margin of 1 inch; the documents didn't come out right. Anyway, I am trying to get this corrected somehow. Anyway, I have sent the Amended Initial Brief and the Amended Designation of Matter to the Attorneys so that the Attorneys can start where they need to. I am not abandoning my appeal. Thanks the Court for its understanding.

Sincerely,

Gertrude Shiver
