Re: Larry E. Kinard, Appellant v. Douglas Richardson
Appellate Case No. 2013-000162
Appellant Not Filing Return to Respondents' Petition for Rehearing

Dear Ms. Kitchings:

Please advise the Court that pursuant to Rule 240(e), SCACR, that Appellant will NOT be filing a return to Respondents' petition for rehearing dated February 13, 2014 "unless requested by the court." This decision is based upon having been served via mail on Saturday, February 15, 2014 with a four (4) page unnumbered "Petition for Rehearing" (unaccompanied by a memorandum of authorities) raising issues adequately addressed by the Court's January 29, 2014 order.

Sincerely,

John R. Polito
Attorney for Appellant
