Re: The State v. Thomas Lee Stafford
Appellate Case No. 2013-002454

To Whom It May Concern:

I am in receipt of your letter dated February 10, 2014, regarding whether any issue raised was preserved for appellate review. From a legal standpoint, I do not believe the issue raised in the Notice of Intent to Appeal was preserved for appellate review on the record; however, Mr. Stafford sent the court some additional issues he believes applies. I do not know what issues he sent in, so I cannot say whether I believe those were preserved for appellate review or not.

If you have any questions or concerns, please contact me at (803) 429-9107. With warm personal regards, I am

Very truly yours,

Anna R. Good
