Re: Larry Dinkins v. Cooper Tools
Appellate Case No. 2013-000300

Dear Counsel:

The Court issued an order dated October 22, 2013 informing all counsel that the Court would treat this case as part of the Pilot Program for the Voluntary Mediation of Workers' Compensation Appeals. Accordingly, the time for filing the appellant's initial brief and designation of matter was suspended for sixty days. The sixty days have passed and the Court has not received the appellant's initial brief and designation of matter. Please be advised that the appellant's initial brief and designation of matter must be served and filed within fifteen days from the date of this letter or this appeal may be dismissed.

Very truly yours,
