Appellate Case No. 2010-166447

ORDER

On July 12, 2010, Appellant filed the notice of appeal in this case. This case was subsequently remanded to the circuit court for an attempt at reconstructing the record. The circuit court has now issued an order finding the record "cannot be sufficiently reconstructed for meaningful appellate review." Accordingly, the circuit court's final order granting judgment in favor of defendants and order denying the Rule 59(e) motion to alter or amend the judgment are vacated and this case is remanded to the circuit court for a new trial.
