MOTION FOR EXTENSION

The above-referenced matter is a consolidated appeal from both the Administrative Law Court and the Court of Common Pleas in Richland County. The Appellants filed their initial brief in early December 2013. To date we have been granted two extensions of time to file a

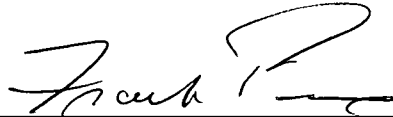

brief on behalf of the Respondent and the current date for the filing of the brief is March 14, 2014 (copy attached).

The motion is to request a reconsideration of the current March 14, 2014 date for the filing of the brief or to otherwise extend the date for the same until March 31, 2014. The reason for the request is because I am the attorney responsible for the preparation of the brief and for the last two months have been involved in a matter for the Budget and Control Board which has consumed an extraordinary amount of my waking hours. The matter is not yet public and a related audit, which is expected to be completed next week, has been ongoing since mid-October of last year.

In addition, we have engaged outside counsel to review the preliminary brief once it is completed and he has asked for ten days in which to do so. It is my intention to ask his review time to be reduced to five days to permit me an extra five days in which to complete my task which I wish to do with the quality that both the parties and the Court deserve.

I am further authorized to state that counsel for Appellant consents to the requested extension or modification.

Respectfully Submitted,

Frank S. Potts
