

The South Carolina Court of Appeals

The State, Appellant,

v.

Walter B. Wilder II, Respondent.

Appellate Case No. 2013-001950

ORDER

The State filed a notice of appeal from the trial court's oral ruling, which indicated the court would grant Respondent's motion to suppress. The State also filed a motion to hold the appeal in abeyance pending the issuance of a written order from the trial court. Respondent filed a return. Because the order addressing Respondent's motion to suppress has not been issued, there is no final order and this appeal is dismissed. *See* Rule 201, SCACR ("Appeal may be taken, as provided by law, from any final judgment, appealable order or decision.").
