

Yamp A. Hee,

2/25/14

I'm writing because on December 5, 2013 I was sentenced to life with out pard. On December 12, 2013 my trial lawyer filed a Notice of Intent to Appeal with the S.C. Court of Appeals and my Affidavit of Indigency. I have been informed by my trial lawyer that my application for indigency has been approved and I would be appointed a attorney to handle my appeal. I would like to know do you have my appeal on file? It was filed by William J. Bean. If so could you please tell me how long it might take before I be appointed a lawyer? I would like to thank you very much if you would help me with this information because as you know when filing an appeal all documents has to be filed on time and properly for it to be perfected. I just want to make sure that my trial lawyer filed my appeal properly. Once more I would like to thank you very much if you would help me with this information.
