

# The Supreme Court of South Carolina

Milo Earl Tudor, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2013-001242

---

## ORDER

---

Petitioner has filed a *pro se* motion in which he asks this Court to either set a deadline for counsel to file the *White v. State* brief in this matter, proceed with petitioner's *pro se White v. State* brief, or relieve counsel and re-appoint counsel who represented petitioner before the lower court. The motion is denied, as the delay in this case is due to difficulties counsel has encountered in her attempt to obtain a transcript of petitioner's 1997 trial which resulted in the convictions that are the subject of the belated appeal to which the lower court found petitioner is entitled.
