SC Court of Appeals

Respondent Zeena Fletcher moves pursuant to 240 and 263(b), SCACR, for an extension of time in which to file her Initial Brief and Designation of Matter for the Record on Appeal in this matter currently pending before the Court. This motion is made on the following grounds:

1. Respondent's Initial Brief and Designation of Matter for the Record on Appeal was originally due on or about December 25, 2013.
2. Respondent filed a Motion for Extension of Time in which to file the brief and designation, and the Court granted the motion and made the brief due on January 27, 2014.
3. Respondent filed an additional Motion for Extension of Time in which to file the brief and designation, and the Court granted the motion and made the brief due on February 26, 2014.
4. Due to continuing calendar constraints, respondent's attorney is in need of additional time in which to finalize and file the brief and designation in this matter.
5. Therefore, respondent believes that an additional thirty-day extension of time is warranted and certifies that the requested extension is not interposed to delay the case.

WHEREFORE, respondent prays for an Order extending the time for filing her Initial Brief of Respondent and Designation of Matter for the Record on Appeal in this matter for an additional thirty days.

Respectfully submitted,

A handwritten signature in black ink, consisting of a large, stylized 'K' and 'W' that loops together. The signature is written over a horizontal line.
