Re: James R. Maull v. SC DHEC, et al.  
Appellate Case No.: 2013-001878  
YCR File: 20110924

Dear Ms. Kitchings:

We have received the Joint Initial Brief of the Respondent's and the Respondent's Joint Designation of Matter to be included in the Record on Appeal in the above-referenced case, and understand that the present deadline for the Appellant's Reply Brief is March 3, 2014. Please accept this correspondence as our request to the Court for an extension of ten (10) days' time to serve and file the Appellant's Reply Brief. Our firm's check in the amount of \$25 is enclosed to cover the cost of this request.

In light of other work-related time commitments, the requested extension will be of benefit to the Appellant's counsel in preparing a brief for the Court's consideration. Respectfully, I believe that the allowance of additional time is in the interests of justice and will not work any undue prejudice upon the Appellant.

By my calculations, with the requested extension, the new deadline for the Appellants' Reply Brief would be March 13, 2014. Also, I would ask that the Court hold the present deadline for the Appellants' Reply Brief in abeyance until it acts upon this request.

If the Court has any questions or concerns, or if a more formal motion is required to present this request to the Court, please let me know.

Respectfully yours,

Michael A. Molony
