Re: State v. Melvin Haynes
Appellate Case No. 2013-000438

The Initial Brief of Respondent and Designation of Matter in the above appeal are due to be served March 5, 2014. However, due to a heavy workload, I am requesting a 30-day extension. In addition, the Respondent filed a Transportation Order with the Court on February 27, 2013, requesting transportation of exhibits that are needed for completion of the Initial Brief of Respondent.

This is the second extension request in this case, and it is not intended for the purpose of delay. By copy of this email, I am advising counsel for the Appellant, Carman V. Ganjehsani, Esquire, of this extension request.

Sincerely,

Deborah R.J. Shupe
