RE: The Need for a Xerox Copy of the Appellant's Table of Content and the Appellant's No. 2 Argument of The Amended Initial Brief

Dear Ms. Kitchings:

I came to the Court on Monday, February 3, 2014, to retrieve a copy of my Table of Content and my No 2. Argument for my Amended Initial Brief. I was told by the desk clerk that I had to see a lady by the name of Stormy. I waited quite a while but Mrs. Stormy never came back to her desk. The clerk later found out that Mrs. Stormy was in Court and she did not know what time that she would get out of Court. I left a letter at the desk for Mrs. Stormy letting her know why I had come to the Court. I was told to come back today to see Mrs. Stormy.

I came back to the Court today, Tuesday, February 4, 2014, to see Mrs. Stormy so that I could retrieve a Xerox copy of my Table of Contents and my No. 2 Argument to send to the opposing attorneys. I also need a copy for myself because I am unable to find my copy of The Table of Content and my No. 2 Argument so that I could send a copy to the opposing attorneys from that. Mrs. Stormy was not at work today. I was told to call back tomorrow to see if she was available. Thank you.

Sincerely,

Gertrude Shiver
