MOTION TO AMEND DESIGNATION

Certain exhibits to documents designated by the Appellate contain medical records with personal information that is not essential to determining the issues as raised on appeal. The Appellate has consulted with counsel for the Respondent who has agreed to allow the appellate to withdraw designation of these matters from the Record on Appeal.

WHEREFORE, with the consent of all parties, the Appellate requests that the Court allow amendment of the designation. In addition, the Appellate requests that the deadline for serving the record on appeal be stayed until the Court rules upon this motion.

Respectfully Submitted,
