SC Court of Appeals

RE: Nathalie I. Davaut v. University of South Carolina and State Accident Fund
WCC File No. 1203664

Dear Ms. Kitchings:

I represent the Appellate in the above matter. In preparing the designated material for this appeal, it has come to my attention that the Appellate's medical record would ordinarily be included. The medical record contains personal information and personal identification information.

Further, it appears that the medical record is not essential to the issues raised by the Appellate. I have conferred with counsel for the Respondent and he has graciously agreed to the Appellate withdrawing the medical record from designated material.

The designation of material is due on Monday, March, 10, 2014. I have requested in the Consent Motion that this deadline be stayed until the Court rules on this motion.

I have enclosed the original and six copies of a Consent Motion, along with a check for \$25.00 to cover the filing of this motion. By copy of this letter, I am notifying Mr. Hendrix, counsel for the Respondent of my contact. I have attached his email whereby he agreed to the Appellate's request.

Thank you for your attention to this matter.

Very truly yours,

Paul L. Reeves
