State of South Carolina

Appellant Case No: 2012-212579

S.C. SUPREME COURT

Issues to Consider

① Denied the right to subpoena to prove my Case: see Volume 1 of 2 pg.

184 lines 5 - pg. 204 line 19 this Judge violated

So many Judges Cannons and my Constitutional rights this

is enough to have this entire Case over turned. I was

basically called a Dummy by this Judge Judge Russo on

September 14th 2010, he put forth personal feelings

even threatened me telling me he got a problem with me which

per Cannons he should've recused himself I ask the Courts

Relief in this per Application over turn these 18 yrs.

Grant me 10 yr. Plea all others run concurrent that was negotiated

on 2-26-07 which is Binding and on Contract I'm telling the

Courts I accept for Conditional Value that I receive the Above

Stated relief and be given Credits for it since 2007 and Goodtime

Credits from prison toward it.

② I was denied an fair and Impartial Bite of the Apple

to address the Courts with my issues per All per Court

transcripts the Courts can see These Judges issued personal opinions

which Judges are prohibited to do, threats, etc. there for I ask

Supreme Courts grant me relief over turn case, withdraw 18 yr. sentence

I'll take 10 yrs. Concurrent All other charges for the plea to Armed

Robbery and Credits toward it This the relief I ask.

③ I ask the Courts make Susan B. Hackett explain why did she

file an Johnson Brief saying the Case had no merit and I

been trying to get her to get off my Case several times before

this occurred and let me represent myself (She said she saw

no reason why and I've contacted Supreme Courts and Chief

Instructional several times This contradicts her Johnson's Brief

there for I ask the Courts order she re-submit a meritorious

Brief and all I've asked her to consider.

④ (Wong Sun v. States ^{united}); This case is the fruit of the poisonous tree Doctrine

and stemmed from a warrant for James Cabag estate which has me falsely

imprisoned to this very day I ask this Case be over turned and Dismissed with

prejudice for violating my 4th Amendment right seizures and 14th Amendment

Due process.

② No person shall be held to answer for a Capital or otherwise infamous crime unless on presentment of a grand Jury indictment; I Shaheen Cabbagestalk has never been indicted for Armed Robbery at all which per State vs. Rector: (Makes me Not A defendant of General Sessions at all there for I shouldn't be falsely imprisoned.

③ Tell the State to produce forth an Armed Robbery indictment for (Shaheen Cabbagestalk) for this crime I'm in prison for Now As well An Sentencing Sheet that's for (Shaheen Cabbagestalk) give him 10 yrs to be committed to the Department of SCDC if the state can't produce for this; I Ask to Be Release out SCDC Custody this is a shock to the senses of universal Justice. This is very Extraordinary and very violative to my rights and to Dismiss all charges (with prejudice) and Issue an order I be Emergently Released from Lee C.I. Smn Segregation home to my family

④ How is SCDC holding me incarcerated without An sentencing Sheet for (Shaheen Cabbagestalk) or (armed robbery) indictment Produce forth this or let me go ASAP Basic S.C. Supreme Courts order this immediately. This constitutes false imprisonment as well kidnapping I'm here against my own will I'd prefer to be home with my family
