Re: Reginald Miller v. State of South Carolina  
C.A. No.: 2010-CP-42-06870  
Hearing date: January 11, 2013

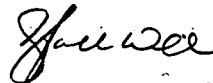

**S.C. SUPREME COURT**

Dear Linda,

I handled the PCR in the above case and sent it on to OID to take over on the appeal. I was subsequently retained to handle the appeal and had to get an order of substitution to take back over the case for OID. This has all happened so quickly that I am not sure whether or not OID received a copy of the transcript.

In order for me to prepare the Appendix in this case I will need to obtain a copy of the transcript from the PCR. If you will let me know what the cost of that would be I will send you a check right away. Judge Cole heard the case and the records show that you were the court reporter. Please let me know right away if you were not.

Sincerely,

J. Falkner Wilkes
