Appellants Object to 2b of Respondents Motion to Strike the Record on Appeal on the grounds that there is pertinent evidence contained therein. Evidenced by the transcripts and the filed stamps on the material in question that would prove not only that there is no violation of Rule 210c, but in fact the attorney for Respondent (i) intent was to comply with the new contract, (ii) knew the lower court was without factual basis to rule judicially for the plaintiff due to un rebutted affidavits, and interrogatories unanswered (iii) It may also reveal a miscarriage in justice through fraud, malpractice, misrepresentation by attorney for Respondent. Appellants also object to 2c, and 2d on the grounds that appellants are unschooled, non- professionals in accords with Haines v. Kerner,

404 U.S. 519.
