Re: Robert E. Reeping and Annette Reeping v. JEBBCO, LLC, SASSCO, LLC, John F. Brailsford, Jr., and County of Orangeburg Delinquent Tax Office
C/A No.: 2010-CP-38-00156
Case #2012208226

Dear Scott:

As indicated in my voicemail to you, I have received your Record on Appeal. However, there is an additional error. I had requested that Plaintiff's Exhibit 13 be made a part of the record. It appears, however, that only the first page of Plaintiff's Exhibit 13 was included. This exhibit was the abstractor's file and it is in excess of 30 pages. Please revise the Record on Appeal to include all pages of Plaintiff's Exhibit 13.

By copy of this letter to the Clerk of Court of Appeals, I am advising of this omission from the Record on Appeal and my request that same be included as previously designated. I appreciate your cooperation.

With kindest regards, I am

Yours very truly,

Robert F. McCurry, Jr.
