RE: TILBROS, Inc., Respondent vs. Cherokee County Assessor's Office,  
Appellant, Case No.: 11-ALJ-17-0299-CC

Dear Ms. Kitchings:

I seek guidance from the Court to establish the due date for the Initial Brief and the Designation of Matter to be included in the Record on Appeal. On February 25, 2014 I received the transcript of the proceedings in the Administrative Law Court from Creel Court Reporting. The transcript was already late and by my letter of February 10, 2014 I advised the Court of non-receipt of the transcript within the time parameters of the Appellate Court Rules. I notified the Court by my letter of February 26, 2014 that I had received the transcript. However, upon inspection of the transcript the exhibits introduced below were not included although they were requested and I was invoiced for their inclusion. It was not until Thursday, March 13, 2014 that I finally received copies of the exhibits. This was only after numerous phone calls to Creel Court Reporting. I finally received the exhibits by email on March 13, 2014 and the hard copy on March 14, 2014.

Because of these difficulties I would request that the time for filing my Initial Brief and Designation of Matter start running as of March 13, 2014 and not February 25, 2014. If this is acceptable please so advise. If not, please construe this letter to be a first request for an extension to file my Initial Brief and Designation of Matter along with my check for \$25.00.

With best regards, I am,

Sincerely,

WGR/dpf
