RE: State of South Carolina v. Norman L. Garner
Spartanburg County Case No. 2012- GS-42-2818
Appellate Case No. 2013-001782

Dear Ms. Kitchings:

On Thursday of last week, I received your email and Judge Few's Order regarding the transcript. In reviewing the file, I can report to the Court that I did not receive any other written communications from the Court of Appeals regarding the transcript. As I expressed in a recent phone conversation with the Court, this is not the first time in which my office has failed to receive correspondences from the Court of Appeals. However, I am pleased to report that I did receive a hard copy of Judge Few's order in the mail a few days after your email.

In this particular case, I can find no information to indicate whether the transcript has been ordered. As a matter of caution, I am sending the enclosed request today. At the same time, I am also enclosing for filing an original and six copies of a Motion to Extend Time to Order Transcript and a Proof of Service for the same. No fee is enclosed as this is an appeal from a criminal case.

If I need to respond in further to Judge Few's Order, or if the Court still wishes my presence on March 20, 2014, please contact my office.

Best Regards,
