SOUTH CAROLINA COURT OF APPEALS

MOTION FOR AMERICAN WITH DISABILITIES ACCOMODATION AND
EXTENTION OF TIME FOR CORRECTING FILING DEFICITS

Now comes the plaintiff Arthur Peter Rowe Pro Se, with a request to the South Carolina Court of Appeals for an (ADA) American with Disabilities Accommodation and an extension of time for correcting errors in the filings of my case.

The Plaintiff respectfully requests that this Honorable Court grant additional time, until May 1, 2014 to complete, the corrections on the documents, which the court requires.

The plaintiff requests these ac accommodations due to his being age 87, functionally blind, deaf, and physically unsteady and unstable on his feet. The plaintiff also has cognitive problems related to having had brain surgery for trigiminal facial nerve neuralgia , which resulted in short term memory loss and difficulty with processing information. Also note that the plaintiff has been ill with shingles and is still in the process of recovering.(note that medical documentation of Mr. Rowe's health issues and disabilities will be provided, upon request from the court).

MEMORANDUM IN SUPPORT OF MOTION

The U S Constitution provides a truly great statement in supporting the request for an (ADA) American with Disability Act Accommodation, because the Fourteenth Amendment sets guidelines for the protection of its citizens through the Equal Protection Clause and the Due Process Clause. The Civil Rights Act provides a means of vindication for Citizens of the USA. We the People are guaranteed the full and equal benefits of all laws and proceedings for the security of the person. According to section 1 no state shall make or enforce any law, which shall abridge the privileges or immunities of citizens of the UNITED STATES. The law is to provide equal protection to all.

Case no. ~~2013-001682~~ error BOM

Dear Clerks of the SC court of Appeals

Please consider this letter as, a request for an (ADA) American with Disabilities, request for an accommodation. I am 87 years old, functionally blind, deaf with a cochlear implant, which does not allow me to hear clearly, and I must depend upon my wife for almost everything.

This letter is a motion to the court an extension of time for responding to the court for corrections listed in a letter from the court of appeals dated February 21, 2014. (see attached letters)

I will also need to have the ADA accommodation for the remainder of the time this case remains within the court system. Please allow me until May1, to get the corrections made. Note that I have also been suffering from a painful condition Shingles for the pas month and have not cleared up from the rash.

Thank you for you assistance in this matter.

Sincerely,

Arthur Peter Rowe
