Re: State v. James Clyde Dill, Jr., 2011-GS-30-633  
State v. Molina Lynn Armstrong, 2011-GS-30-515

Dear Joy,

Please prepare me a transcript of the joint trial of Mr. Dill and Ms. Armstrong on the cases referenced above. The Defendants were tried in Laurens County General Sessions Court before Judge Griffith on April 9, 2012 through April 11, 2012. Each was charged with one count of manufacturing methamphetamine.

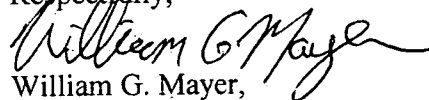

They are preparing an appeal and need the transcript. The appellate case numbers are 2013-000724 for Mr. Dill and 2013-000932 for Ms. Armstrong.

You will be paid by this office for the transcript. I would appreciate an estimate as soon as is convenient so that I may collect the funds from the Defendant's families though your payment will come directly from my office regardless of the success of those efforts.

The trial was for both

I look forward to hearing from you.

Respectfully,

William G. Mayer,  
Attorney at Law
