Re: William Ferrara v. Michael Hunt (Charles Cain)
Appellate Case No. 2013-001909

Dear Counsel:

You are reminded of the Court's order of February 25, 2014, confirming the non-acceptance of the respondent's initial brief and designation of matter in this matter. However, it has come to the Court's attention that the respondent filed an extension request, received in this office February 10, 2014, that does not appear to have been considered upon the issuance of the order. Further, the respondent's initial brief and designation of matter were received by this Court on February 28, 2014.

Therefore, within ten days, you are requested to serve and file a motion to accept the respondent's initial brief and designation of matter so that this appeal may proceed. The Court will consider the motion to consolidate, filed in a related appeal, once this situation is resolved.

Very truly yours,

V. Claire Allen, Deputy

CLERK
