APPEAL FROM THE COURT OF COMMON PLEAS
RICHLAND COUNTY

Robert E. Hood, Circuit Judge, Fifth Judicial Circuit

Appellate Case No. 2013-002802

Anonymous Surgeon *Appellant,*

~ vs. ~

Matthew T. Siedhoff, M.D. *Respondent.*

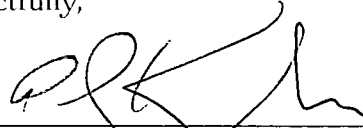

MOTION TO REINSTATE APPEAL

Appellant respectfully moves this Court to reinstate the present appeal and for leave to file the initial brief out of time. This appeal was initially perfected in the Court of Appeals. The transcript was received on January 15, 2014. This case was certified to this Court by Order dated February 6, 2014.

Certification was granted on grounds that the relief sought, reversal of precedent, could not be lawfully granted in the Court of Appeals. Obviously any brief filed below would have been very different from one filed here. Appellant filed a motion for leave to file the initial brief out of time, however this case was dismissed while that motion was enroute in the U.S. Mail.

Appellant's Counsel mistakenly believed the time for initial briefing would be tolled during the pendency of the Motion to Certify. Counsel therefore asks the Court to forgive this error, reinstate this appeal, and permit initial briefing to proceed.

Respectfully,
