MOTION FOR EXTENSION OF TIME
AND SUSPENSION OF FILING DATES

Pursuant to Rule 263(b), SCACR, Respondent moves for an extension of time and suspension of filing dates for Respondent's initial brief and Appellant's reply brief. Respondent's brief is currently due on March 26, 2014.

The reason for this request is Respondent filed an Objection and Motion to Strike on March 10, 2014. On March 21, 2014, Appellant was granted an extension until March 31, 2014 to file a response to the motion. Appellant's filing date for a return to the motion and Respondent's filing date for a reply will fall after the current filing date for Respondent's initial brief. Respondent respectfully requests the filing dates for Respondent's initial brief and Appellant's reply brief be extended and that the briefing schedule be suspended until the Court rules on the Motion to Strike. Appellant has

consented to this Motion for an extension of time and suspension of filing dates, and both parties request an expedited ruling on the Motion to Strike.

Respectfully submitted,
