Respondent hereby submits its Return in Opposition to Appellant's Motion to Extend Time to File Designation of Matter to be Included in the Record on Appeal as allowed by Rule 240(e) of the South Carolina Appellate Court Rules and shows this Honorable Court the following:

This case involves a cause of action for the foreclosure of a mortgage involving a residential property located in Spartanburg County, South Carolina. On or about February 7, 2014, Respondent filed and served a motion to dismiss the appeal for Appellant's failure to comply with procedural requirements: specifically, in failing to serve the Respondent's counsel with a copy of the Notice of Appeal; in failing to file with the clerk of the lower court a copy of the Notice of Appeal; in failing to provide Respondent's counsel with a copy of the Appellant's Initial Brief; and in failing to provide Respondent's counsel with a copy of the Appellant's Designation of Matter.

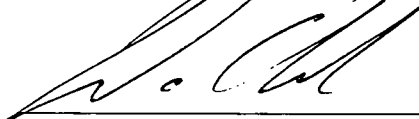

Appellant now seeks an extension of time to submit his Designation of Matter to be included in the Record on Appeal, which Appellant maintains was submitted to the Court on February 11, 2014. To date, the only documentation received from the Appellant by the undersigned has been the present motion.

Respondent respectfully requests that the motion for an extension of time be denied and that the Court grant the Respondent's Motion to Dismiss the appeal on the grounds more fully set forth therein.
