Re: North Pleasant, LLC vs. South Carolina Coastal Conservation League, et al.
Appellate Case No.: 2014-000183

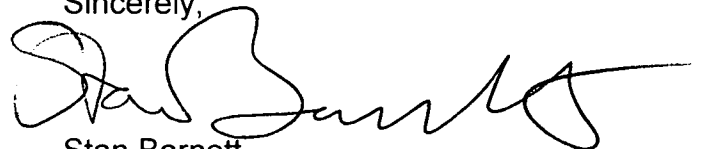

Dear Ms. Allen:

As we discussed yesterday, this is to confirm that the parties agreed pursuant to Rule 207(a) that the entire transcript did not need to be ordered. The attached email chain of February 3, 2014 reflects our agreement not to order the portion of the transcript dealing with jury selection, as this is not an issue in the case.

Also, this will confirm that we received the transcript from the court reporter on March 12, 2014. A copy of that email is attached also.

With kindest personal regards, I remain

Sincerely,

Stan Barnett

I agree, assuming that your appeal will have nothing to do with the jury qualification

I am getting ready to order the transcript for the North Pleasant appeal. I don't think we need to have the jury selection portion of the transcript. If you agree, please let me know. Thanks.

Dear Mr. Barnett:

It is totally fine if you send it to the post office box. I use that for business purposes and check it several times a week.

Thank you,
Amanda
