Albert Cooper Myers,.....Appellant,

v.

South Carolina Department of Health and Human Services,.....Respondent.

FIRST MOTION FOR EXTENSION
TO FILE APPELLANT'S INITIAL BRIEF

The undersigned moves for an extension to file Appellant's Initial Brief with the consent of Respondent. Grounds for this motion are that Appellant's counsel has attempted to set up meetings with Appellant's guardian, but has been informed that Albert Cooper Myers has been very ill and has developed decubitus ulcers, contractures and other ailments, preventing his guardian from meeting with counsel to assist in the preparation of the brief. Appellant requests an additional sixty days to file the Initial Brief, which is currently due on April 4, 2014, thus extending the due date to June 2, 2014.
