RE: Christopher Hampton v. State

S.C. SUPREME COURT

Dear Mr. Shearouse:

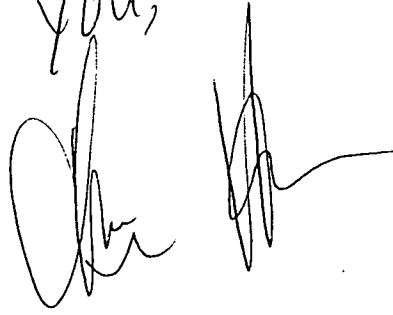

I am writing regarding my Notice of Appeal documents mailed out on March, 03 2014 to this Honorable Court. I submitted a similar Notice of Appeal Package on April 03, 2013 but it was denied by this Court on June, 26, 2013. The difference between my denied pro se notice of appeal and my recently submitted pro se notice of appeal is the denied one was type written with no document to establish the timeliness of my late notice. My recent pro se notice of appeal was hand written with an affidavit to establish the timeliness. I am just curious if this Honorable Court accepted this hand-written notice, and if the notice is pending? if not please explain to me what did I do wrong or what would I need to do to get the supreme court to handle my matter in the original jurisdiction of this Court?

I also submitted A new PCR application
With the Lower Court seeking an Austin
appeal and I was wondering if that would
affect this notice of Appeal,

Thank you,
