Re: Bank of New York Mellon Trust v. Chartreuse Grier
Appellate Case No.: 2013-002403

Dear Ms. Kitchings:

On March 26, 2014, the initial appellate brief placed in the US Mail with, what we had calculated to be, the proper amount of postage and was, therefore, timely filed and served on all parties. However, on April 1, 2014, the packet addressed to the Court of Appeals was returned to us because it was over 13 ounces and was not taken to the retail counter of a Post Office. The package mailed to opposing counsel on March 26, 2014, has not been returned and, presumably, was delivered as originally mailed.

We were previously unaware of the Post Office requirement concerning these types of packages and resent the packet to the Court today. The Proof of Service included within the packet lists the date that all enclosed documents were served upon the parties. If a motion or any additional information is required, I request that you please notify this office immediately. I greatly appreciate the assistance of your office.

Sincerely,

M. Allison Moon
