Re: State v. James Walker
Appellate Case No. 2012-213741
Record on Appeal: Request for additional 7 days

Dear Ms. Kitchings:

I am co-counsel for the Appellant as part of the 2013 Appellate Practice Project. I was granted a 30-day extension for completing the Record on Appeal due to the need for extensive redactions of the Record. That extension expires today, April 7, 2014:

I need to request an additional seven (7) days to complete the revisions for this Record. I am a solo practitioner and my case load has interfered with my ability to complete this assignment.

This case involved two (2) minor victims and their names and dates of birth must be removed from the Record. I am running into technical difficulties and need more time to finalize the Record on Appeal.

I am in contact with the Division of Appellate Defense. Once these problems are resolved, then the Division of Appellate Defense will be printing and serving the copies.

Please notify me immediately if I need to make this request by formal motion.

Sincerely,

Daniel L. Blake
