Mr. Broadwater,

The due date to request the transcript in Mr. Salley's case is Monday, April 14, 2014. We have not received the affidavit of indigency for Mr. Salley. If more time is needed, you can request an extension from the Court of Appeals to allow your client more time to complete the affidavit.

Mr. Salley's mother, Ms. Davis, called me earlier this week and indicated that Mr. Salley had already filed for PCR. I have attempted to contact Ms. Davis every day this week at the phone number she left me, but I have not gotten an answer and her voice mail is not set up, so I cannot leave a message. Mr. Salley apparently is unaware that he cannot have a PCR action going while his direct appeal is still pending. I was hoping to return Ms. Davis' call so that I could explain this to her, but since I cannot reach her, you may want to let your client know.

Please let me know if you have any questions.

Thanks,
