Appellant Initial Brief.

Pursuit to ALC RUC 267 S.C.A.C.R.

I, Robert Johnson file this brief to S.C. Law Court all other records have been filed. I believe that on said case; the outcome would have been different meaning in my favor if the facts were heard at hearing and at the trial. For one the Judge at the trial dismisses the jury before they gave the verdict so, I don't really know if the verdict was compromised by the Judge, and also my case was to be judge by the jury not the judge, also I find it unfair that it was conducted without the jury presence. therefore I believe the case should be re reviewed due to those facts;

I also believe that the S.C. LAW court did not conduct a proper hearing of the facts. The judgement was unfair and bias because of the unfair handling of the case.
