SC Court of Appeals

appeal from the Administrative
Law Court

The Honorable Shirley C. Robinson

Presiding Judge

Case No. 14CO179 Grievance LCI-1424-13

Notice of Appeal; motion to
File Out of Time

To: The SC Court of Appeals,
The Administrative Law Court,
S.C. Dept of Corrections.

The appellant motions before the

S.C Court of Appeals to appeal the final order issued in the above captioned case from the Administrative Law Court. I motion to do this out of time and or beyond the time limit of (30) days. The final order was issued on March 5, 2014 and I received it on March 7, 2014. But the petitioner motioned for rehearing and or reconsideration which process was not completed, being denied by last filing dated March 25, 2014. I did not waive my right to appeal knowingly since I sought further remedy from the Administrative Court. Thus I motion to file this appeal out of time or beyond the time based

upon my last filing seeking relief
from the administrative law court.

Respectfully
Donald Baker
