Re: HSBC v. Alice Lucas
Appellate Case No. 2014-000747

Dear Mr. and Mrs. Lucas:

Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The notice of appeal fails to include a statement of when you received written notice of entry of the order or judgment from which this appeal is taken.
- The document is incorrectly titled as "Amended Notice of Appeal."
- The proof of service indicates you served CT Corporation System, however they are not listed as a respondent.
- The order dated March 28, 2014 features an abbreviated caption. Please provide an order issued by the trial court featuring the complete caption, or a copy of the original summons and complaint.

- Please provide an amended notice of appeal showing the correct parties to the appeal and proof you have served the amended notice of appeal on all parties to the appeal.

Very truly yours,
