Appellate Case No. 2012-213351

ORDER

Appellants have filed a motion requesting that this Court recall the remittitur and reinstate this appeal. Appellants argue this appeal was dismissed and remitted in error because the appeal has not been fully and finally settled by the parties. Specifically, Appellant notes that the two groups of Plaintiffs settled, but Appellants "had no part in the settlement between the Plaintiffs."

Because the motion to withdraw appeal sought withdrawal of the notice of appeal filed on November 16, 2012, but not Appellant's notice of appeal, which was filed on November 9, 2012, this appeal was technically dismissed and remitted in error.

Accordingly, the remittitur is recalled and the appeal is reinstated. Respondents shall serve and file their initial brief and designation of matter ~~within thirty~~ days.
