South Carolina Supreme Court Tracking No. 2012-205650  
Our File No. 26019.01795

Dear Ms. Shealy:

Thank you for talking with me this morning regarding my request for certified copies in the above-referenced case. Per our conversation, these copies are needed for an upcoming hearing in a related matter pending in the Southern District of Ohio United States Bankruptcy Court. I would like to receive the certified documents no later than **Wednesday, April 30, 2014**, if possible.

I have been asked to obtain certified copies of the following:

- A true and accurate copy of the case docket; and,
- A true and accurate copy of the Order entered on February 7, 2013.

As we discussed, the docket request presents an issue as you are not able to print a docket from your system due to the age of the case. One of the ideas we talked about was a document created by you listing the filings in the case which would include the name of the filing and the date filed. To support the document you create, we would include the first page of each document to show the title of the document and the date filed. The document and the supporting pages would all be certified. For your convenience, I created a Records Custodian

Affidavit as a possible option that may help in creating the document. If this would be useful, please call me and I will be happy to email you the document.

I appreciate your assistance with this request. As we discussed, I will be out of the office next week, April 21, 2014 through April 25, 2014. If you have any questions while I am away, please call my assistant, Pam Jolley, she will be able to assist you. She can be reached at (803) 255-9246.

Thank you very much for your assistance with this request.

Very truly yours,
