Re: John D. Hatcher v. Ronald J. Ferguson
Appellate Case No. 2014-000792

Dear Ms. Allen:

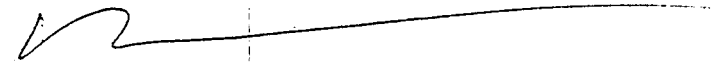

I am in receipt of your correspondence dated April 17, 2014. My apologies, but I am unfamiliar with any Notice of Appeal from on or about March 23, 2014. According to my records there were Appellate numbers 2013-002360 and 2014-000556.

Further reflection of the record shows that a tribunal dismissed 2013-002360 related to Hayes on or about 4/10/2014. That action has been superseded and pending affirmative identification of the judiciary involved at the appellate level.

I believe that 20014-000556 related to Lee is pending transcripts and briefing. It would appear that part of Lee's Order was not filed with the Clerk for the Court of Common Pleas until recently. Though the entire matter may be dispositive based on the superior jurisdiction due to the CoA action in 2013-002360.

Should I have something misunderstood please don't hesitate to advise me of such.

Best regards,

Ronald J. Ferguson
