DEFENDANT’S EXHIBIT #1 (Statement of Lillian Collins-Irby) 1

CERTIFICATE OF COUNSEL 3

I William Darnette Collins-Irby verify that
..on my first and only joint consultation
..with my daughters (Tonia Decole Collins) therapist
..Gina Ddom at the Children's Advocacy Center.
..My daughter had a question that she wanted
..A answer to. It was "why did I chose James (my husband)
..over her?" I explained to her that I was in the
..middle and that I didn't choose anyone. That
..I had to be there for her because she is my daughter
..and I had to be there for James because
..he is my husband. Then I proceeded to ask her
..a question that I needed an answer for. I
..asked her "Decole I need to know what happened
..if anything happened because I had heard all
..kinds of stories from a lot of people but she hadn't
..talked to me. She said "Nothing happened" I
..looked at her, then at Gina and I asked again
..Decole I don't understand what that means because
..these are some very serious charges. Once again
..she said "Nothing happened." Again I looked at
..Gina and Decole and in a calm voice I asked
..again Decole what happened for the third
..time she said "nothing happened" I said I
..don't understand then Decole looked at Gina and
..said he tried I asked he tried what? Her therapist
..Gina stopped the session. Didn't ask any questions
..and didn't comment on anything. She said we
..would schedule another session, but when I called

her to do so. She refused to schedule a session
then ~~she~~ I was told that she had made
a statement of me being confrontational which
is a blatant lie. I was never confrontational,
loud, aggressive or anything. I was soft, quiet
and reassuring for my child. I have never been
separated from my child her entire life and I
know my child better than anyone and if my
child told me nothing happened and she did
so three times ~~times~~ and the fact that I
asked her if she was still a virgin and she told
me that she was and all her test results
show that she still is. Then I believe that
nothing happened.
