IT IS ORDERED AND ADJUDGED: See attached order Statement of Judgment by the Court:

This matter was initially before this court on Petitioner's motion to proceed *in forma pauperis* in the filing of a writ of mandamus. This court issued an order denying the request because mandamus was not a proper method for seeking the relief requested. The matter is now before this Court on motions of the petitioner for recusal of the judge and to vacate the order. After careful consideration of the request, this court finds the Petitioner's **motion for recusal** and **motion to vacate** should be and are therefore **denied**.
