Subject: Forman v. SCDLLR, appellate case # 2014-000285
Date: Thursday, April 24, 2014 6:37:22 PM

The initial brief of appellant is due today. The brief is written and the envelopes are labeled and stamped. But just before printing, we discovered a significant problem with the references to the record on appeal from the lower court (ALC). These need to be corrected, which at approximately 100 total footnotes, will be time consuming. We are unable to serve the brief timely.

The brief will be served tomorrow with a motion for late filing, but I wanted to give everyone involved to have as much notice as possible. Sorry for any inconvenience. If you have any questions or comments, please do not hesitate to contact me.
