Re: State vs Loretta Galloway Branyon
Appellant Case No.: 2012-212801

Dear Ms. Kitchings:

I request a ten day extension to the deadline for submitting the Record on Appeal and Final Brief of Appellant on the above referenced.

I was hospitalized from February 11, 2014 to February 17, 2014 for a bronchial episode and underwent several diagnoses while in the hospital, none of which were correct. After my release from the hospital, I consulted my family physician who tested me for pertussis (whooping cough). The hospital never tested me for this even though I coughed at times for over four consecutive hours. The test conducted by my family physician after I left the hospital determined that I had pertussis.

My family physician advised that the symptoms of pertussis, although diminishing, would probably last up to six months.

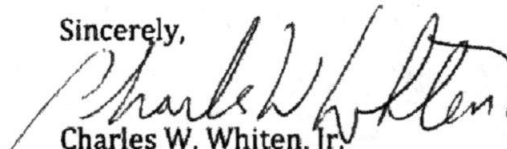

I, therefore request a ten day extension to complete the Record on Appeal and Final Brief of Appellant.

I spoke with Mark Farthing this morning and he consented to my request for the extension of time.

I am working diligently to complete it and believe it can be submitted by March 31, 2014.

Thank you for your courtesies in this matter.

Sincerely,

Charles W. Whiten, Jr.
