RE: Daniel L. Junk and Christine H. Junk v. Mortgage Electronic Registration  
Systems, Inc., et al.  
South Carolina Supreme Court Tracking No. 2012-205650  
Our File No. 26019.01795

Dear Ms. Shealy:

Thank you for talking with me this afternoon regarding my request for certified copies in the above-referenced case. Per our conversation, I am enclosing the original certification and DVD that we received on April 23, 2014.

We discussed the following issues:

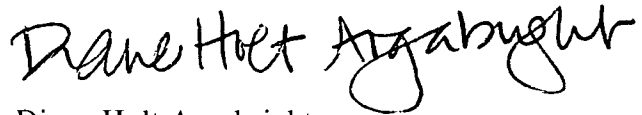

- The certification needs to be revised to reflect that the appeal was from Judge Dukes, not Judge Spence;
- The certification to include a listing of the filings to create a "docket". As we discussed the language could be modified to read: "I, Daniel E. Shearhouse, Clerk of the South Carolina Supreme Court, hereby certify that the attached DVD, which I have signed and dated April 23, 2014, contains a copy of the documents, as described in the attached Index of Case Filings, that were filed in the above case in the South Carolina Supreme Court."
- The attached Order denying the Petition for a Writ of Certiorari needs to be certified.

I would like to receive the certified documents no later than **Wednesday, April 30, 2014**, if possible. Please call me if you have any questions.
