Re: State v. Javan F. Mays, Appellate Case No. 2013-002530

Dear Ms. Kitchings:

The initial brief of appellant and designation of matter in the above case is due to be served and filed on May 21, 2014. However, we have discovered that we need an additional transcript. Today, I received a letter from Mr. Mays, who represented himself at trial, advising me that he had multiple pre-trial hearings. However, he was unable to provide me with dates. He did provide me with an order arising out of a hearing before Judge Gibbons concerning Mr. Mays' motion to relieve counsel. According to the order, the state placed the procedural history on the record, and I hope this will assist us in learning of the other dates. Additionally, I have ordered the complete Clerk of Court's file in order to learn of any dates contained therein. We have requested this transcript today and would request that the time limits be held in abeyance pending receipt of it. A copy of our transcript request is attached. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Susan B. Hackett
Appellate Defender
