COURT OF APPEALS

Dear, Ms. Kitchings

Please find enclosed the Proof of Service for the Motion to proceed In forma pauperis, back dated from when it was originally served. It is my hopes that this now meets the requirements requested in this matter.

I would like to know if I will be required to furnish 15 copies as prescribed by Rule 210? I would also like to know who I would have to contact to advise them of the fact that the Office of General Counsel is not providing the entire form with the grievances that are a part of the Record, there are attach sheets accompanying them. As well as deceptive tactics of misdirection. If you are able to assist me in these matters it would be greatly appreciated.

Thank you for your time and assistance in these matters.
