Re: Timothy J. Wilson v. The State
Appellate Case No: 2013-002473

Dear Mr. Shearouse:

Respondent/Petitioner's February 25, 2014, Petition for Appeal Bond is currently pending before the Court in this post-conviction relief appeal. Enclosed please find a copy of an email sent to this office from Jessica Wilson, the mother of the minor sexual assault victim in the underlying case. Ms. Wilson is a registered victim with this office and sent the correspondence to state her position in regard to bond. I felt obligated to pass Ms. Wilson's message along to the Court; however, I also wanted to note that Ms. Wilson testified on behalf of the defendant at trial, and that **the State remains opposed to any grant of appeal bond.**

Sincerely,

J. Benjamin Aplin

Subject: Timothy Jacob Wilson's Bond

To whom this concerns,

I am e-mailing this to help clarify how I feel about Timothy Jacob Wilson's bond while he awaits a new trial.

I am in agreement to him being out on bond. I feel Timothy is no danger to myself, our children or the public. I do ask that there is no contact between Timothy and Breann.

I also do not see him as a flight risk. While out on bond awaiting his first trial Timothy never missed a check in and always did what was asked of him.

Thank you for your time on this matter. I recently updated all of my information with you. I do wish to be updated on the outcome of the case.

Thank you,
Jessica Wilson
