

LEGAL MAIL ONLY My name is Eldon Butterfield I'm writing my arguable basis and my issues for my appeal. On 4-21-14 they gave me 12 years. My Public Defender was Melissa A. Inzerillo. I'm go start by saying yes I understand what I was doing by pleading guilty and giving up my rights. A plea bargain is something you agree on not something your force to take. I didn't agree on 12 years violent with no parole. The whole time I was going to role call I go see Melissa it was just like the Solicitor said this or that. I really dont feel like she was fighting for me 100%. Not saying she did a bad job! I didn't want that plea. I feel like I was forced to take that plea because she called me and said if I didn't take the plea we was going to trial in a few days and the Solicitor was go trial me in front of Judge Hayes. I only took the plea because I was scared for my life don't no one what to Hayes as they Judge and why would you tell me that I feel like she was threaten me. I feel like she really ain't fight for me because I told her I didn't want to go to trial I just want a good plea like she did for my uncle she got him 7 non-violent and we had the same charges! She never showed me no evidence like video or pictures or line up or anything showing that I sold anything! I only took it because she said if we go to trial that is go make sure that I get life. I have seen people with the same charges or more but they got less time and non-violent! I know every case not the same but 3rd offense is 3rd offense! It wasn't a negotiated sentence it was recommendation by the state. I would like this appeal or file a motion to reconsider the sentence. I just feel like they made me take the plea because they said take this or I going to Trial in front of Judge Hayes and he going to give me life! I don't even know what all they had on me! Thank You for hearing me out.
