Re: The State v. Akeem Alim-Nafi Abdullah-Malik  
Appellate Case No. 2014-001001

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter. Failure to comply may result in dismissal of your appeal:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, opposing counsel is not listed, the judge is not listed, the date of receipt of the order(s) and/or sentencing sheet(s) on appeal is not stated, and the county is not listed.
- Since this is an appeal from a guilty plea, nolo contendere plea, or plea pursuant to Alford, Rule 203(d)(1)(B)(iv) of the South Carolina Appellate Court Rules requires "a written explanation showing that there is an issue which can be reviewed on appeal. This explanation should identify the issue(s) to be raised on appeal and the factual basis for the issue(s) including how the issue(s) was raised below and the ruling of the lower court on that issue(s). If an issue was not raised to and ruled on by the lower court, the

explanation shall include argument and citation to legal authority showing how this issue can be reviewed on appeal."

- A proof of service has not been provided. You must serve and file a proof of service, showing service on opposing counsel, substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.
- Failure to comply with Rule 203(e) as to form and content of the notice of appeal.

Very truly yours,

*V. Claire Allen, Deputy*

CLERK
